WHITE LYAN

We've partnered with pioneering East London cocktail bar, White Lyan, to offer a selection of sensational cocktails. Founded by Ryan Chetiyawardana (aka Mr Lyan) in 2013, White Lyan has won awards for its inventive, sustainable approach to cocktail making. It was even crowned Best Bar in London by Time Out 2015.

Each cocktail showcases a recipe from Mr Lyan's book, *Good Things to Drink with Mr Lyan and Friends*. We chose these ones in particular because of their light, refreshing and delicately balanced taste. We hope you agree they're the ultimate pre flight tippie.
