The Basics

**This iconic resort offers Guests the sights, sounds, and flavors of the Polynesian Islands**, conveniently located near the Magic Kingdom. Be sure to make a breakfast reservation at the Kona Cafe, their macadamia nut pancakes are amazing!

I loved seeing Magic Kingdom Park from the resort, with **great views of the Electrical Water Pageant and nighttime fireworks.**

The newly updated **Moana-themed Guest rooms** are causing an increase in this resort's popularity, though it has always been a Guest favorite.

My kids especially love **the Lava Pool and its 142-foot-long waterslide.** They could spend all day there!

Be sure to take advantage of the incredible dining options at Disney's Polynesian Village Resort. At 'Ohana, you can enjoy a Polynesian-themed meal served family-style. **The 'Ohana Noodles on the dinner menu are just incredible!**

Don't forget to **pick up a refreshing DOLE Whip®** from Pineapple Lanai, located just outside the Great Ceremonial House. It's **the perfect snack after a day of pixie-dusted adventures** in the theme parks!

All I can think about now is **the scrumptious banquet of food you will feast on at 'Ohana ...** and I am craving the Honey-Coriander Chicken Wings and 'Ohana Bread Pudding. This is definitely one of my Must-Dine-At restaurants and **truthfully every dish served here is amazing.**
